

## Meet the Altrix Primary Care-Nashua Team at Virtual Ribbon Cutting

Please join us virtually as [Altrix Primary Care-Nashua's](#) board-certified nurse practitioners and Nashua community leaders celebrate the opening of this new healthcare practice with an official ribbon cutting.

Altrix Primary Care-Nashua is helping to alleviate the shortage of primary care providers in New Hampshire by delivering the full range of primary care, including annual wellness exams, well-child check ups, prescriptions and immunizations, minor procedures, and teen and women's healthcare. COVID testing and care is also available in a safety-first environment.

This innovative practice cares for people of all ages — from newborns to senior citizens. Chronic disease management is provided for conditions such as high blood pressure, COPD, diabetes, asthma, and other health concerns.

In this celebratory event, you can hear our highly experienced nurse practitioners explain how Altrix Primary Care-Nashua is different from traditional practices — and how the Altrix team can support the healthcare needs of you and your family.
